Admission Requirements

<p>Policy Statement</p>	<p>Qantm College upholds the principle that all applicants seeking to enrol are treated fairly and equitably. The College has open, fair and transparent procedures that are based on clearly defined entry criteria for making decisions about the selection of students. Students will be selected on merit based on the published criteria.</p> <p>The opportunities and benefits of Commonwealth assistance will be made equally available to all eligible students.</p> <p>Qantm College will adopt a flexible approach to providing entry for students into its courses. Students from disadvantaged backgrounds; those returning to formal study and others who may not have completed formal requirements will be encouraged to apply through Special Admissions.</p>	
<p>Purpose</p>	<p>To describe the admission requirements for applicants to a Qantm College course of study.</p>	
<p>Scope</p>	<p>Qantm College applicants, students and staff.</p>

It recognises formal learning and uses the course/program or subject/unit that a student is using to claim credit to determine this. Students applying for RPL/Credit Transfer/Advanced Standing should contact Qantm directly and not enrol via QTAC.

Applicants for Melbourne campus

Entry into a degree or vocational course is through the normal tertiary process of the Victorian Tertiary Admissions Centre (VTAC) and in accordance with their policies and procedures. Following confirmation of acceptance from VTAC, applicants can proceed to enrolment.

Applicants for Sydney campus

Entry into a degree or vocational course is by direct application to the College.

Qantm College will admit to degree programs, students who have satisfied the published entry requirements for the course. Selection shall be based on merit, including the satisfactory completion of English and Mathematics.

Domestic applicants may also enter the degree program from a Diploma or Advanced Diploma, which will involve articulation and credit transfer arrangements, or from another undergraduate degree.

1.2 International Students

1.2.1 Education Agents

Qantm College will take all reasonable measures to use education agents that have an appropriate knowledge and understanding of the Australian international education industry and will not use agents who we reasonably believe to be dishonest or lack integrity.

Qantm College will enter into a written agreement with each education agent it engages to formally represent it. The agreement shall specify:

- The responsibilities of the education agent and the registered provider and the need to comply with the requirements in the National Code.
- The processes for monitoring the activities of the education agent including where corrective action is required.
- Termination conditions, including providing the termination in the circumstances where Qantm College has entered into an agreement with an education agent and subsequently becomes aware of, or reasonably suspects, the engagement by that education agent, or an employee or subcontractor of that agent, of the following misconduct
 - Engaged in or to have previously been engaged in, dishonest practices, including the deliberate attempt to recruit a student where this clearly conflicts with the obligations of registered providers
 - Facilitating the enrolment of a student who the education agent believes will not comply with the conditions of his or her student visa.
 - Using provider registration and International Student Management Systems (PRISMS) to create Confirmations of Enrolment for other than bona fide students
 - Providing immigration advice where not authorised under the Migration Act 1958 to do so.

Where an individual employee or sub-contractor of the education agent was responsible for the conduct and the education agent has terminated the relationship with that individual or sub-contractor termination may not apply.

Qantm College shall take immediate corrective and preventative action when it becomes aware of an education agent being negligent, careless or incompetent or being engaged in false, misleading or unethical advertising and recruitment

practices, including practices that could harm the integrity of Australian education and training.

Qantm College will ensure that its education agents have access to up-to-date and accurate marketing information.

1.2.2 Direct Entry

International students may be admitted in accordance with Government and Qantm college policies and can apply directly to Qantm College for admission. International students will be admitted in compliance with the ESOS Act 2000 and its Regulations 2001. International students seeking admission to Qantm College must be at least 18 years of age.

The Campus Academic Coordinator will interview applicants prior to admission using the following selection criteria:

- School results (where applicable) and evidence of further study since leaving school;
- Recognition of prior learning, where exemptions requested; and
- References, reasons for applying and Life Goals.

International students will need to provide certified/attested copies of their academic records and any official examination certificates as well as evidence of their English Language Proficiency:

- An overall IELTS band score of 6 or higher for a higher education program and 5.5 or higher for a vocational education program; or
- A TOEFL score of 550 (computer-based score of 213), including a TWE of 4; or

Qantm College will ensure at all times that it complies with the requirements of the *National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students* which have been developed under the above Act.

2. Special Admission

Qantm College recognises that preparation for study is not restricted to formal educational attainment and that valuable intellectual and skills development can be gained through wide ranging experiences. Qantm College will review applications on a case by case basis from persons of at least 18 years of age, who do not have formal qualifications for entry but who seek admission to courses on the basis of their educational and skills development through experience and informal study.

Consequently, applicants may, in special circumstances, be admitted on the basis of having satisfied specific criteria demonstrated through the submission of an **RPL (Recognition of Prior Learning)** application, a portfolio, performance at a follow-up interview and specific minimum levels of formal academic achievement.

Through the portfolio, applicants will need to demonstrate achievements in design and production for their chosen course of study and clearly articulate those skills and achievements in the subsequent interview. In all cases Special Admission will only be granted to students with at least a Year 10 level of schooling.

3. Credit for Prior Studies or Prior Knowledge

Students accepted into Qantm College education and training programs may be eligible to apply for acknowledgement of previous study or previous knowledge and/or skills acquired outside of Qantm College.

	<p>3.1 Credit Transfer and Advanced Standing This refers to formal study undertaken in recognised higher education institutions in Australia, including universities, colleges, TAFE and other post-secondary education institutions. Overseas institutions will be recognised according to the extent to which they are considered equivalent to the Australian higher education institutions noted by NOOSR. This articulation allows students to progress from a Certificate to a Diploma and continue into a Qantm College degree program.</p> <p>As a Registered Training Organisation, Qantm College operates within the Principles and Standards of the Australian Quality Training Framework (AQTF). This includes a commitment to recognise the training qualifications issued by other Registered Training Organisations. <h3 style="margin: 0;">Fees and Refunds</h3>		

Policy Statement	This policy governs the administration of fee collection and refunds.	
Purpose	This policy details the processes and policies by which tuition fees for higher education courses and VET FEE-HELP enabled courses are managed at Qantm College. Ancillary fees; such as for equipment, software, or accommodation; are not covered by this policy.	
Scope	Qantm students and administration staff.	
Definitions	Fee Refund FEE-HELP VET FEE-HELP	Money charged for tuition services provided to a student. An amount returned to a student from fees paid. Higher Education Loan Programme for higher education courses Higher Education Loan Programme for approved vocational courses
Policy	<p>1.0 Introduction</p> <p>Under the direction of each Campus Manager, the administrative staff of Qantm College undertake all fee collection and management. All financial transactions are reported to the Group Financial Controller based in Byron Bay and are subject to standard control mechanisms and audit processes.</p> <p>Tuition fees are set against individual units of study.</p> <p>A unit of a study is a discrete component of a course.</p> <p>Unit fees are set annually. The fee that is levied against a unit of study is determined by the year the unit of study is commenced.</p> <p>2.0 Communication of tuition fees and changes to fees</p> <p>Domestic and International student fees are published in the relevant current Schedule of Fees and supplied to prospective students upon initial enquiry and made available on-line.</p> <p>Qantm sets and publishes an annual unit fee schedule for the forthcoming year on or before the <u>1st October</u> of the preceding year in line with the requirements of the <i>Higher Education Support Act 2003</i>.</p> <p>Qantm will quote total course fees as indicative. This is because fees are charged according to the year the unit of study is commenced and unit fees are subject to annual adjustment.</p>	

3.0 Student fees and GST

Qantm determines the GST status of its courses in line with the Australian Taxation Office Ruling GSTR 2001/1. GST is not currently applicable on tuition fees for accredited courses conducted by Qantm in Australia.

4.0 Tuition fees payment options

For Australian citizens and Australian resident permanent humanitarian visa holders studying a higher education course or a VET FEE-HELP enabled course, there are three fee payment options:

1. *Up front payment of fees (due 30 days prior to commencement).*
2. *Payment of fees by trimester instalments (where the first instalment falls due 30 days prior to commencement and subsequent payments must be made prior to commencement of the trimester).*
3. *FEE-HELP.*

For all other students, including international students, there are two payment options:

1. *Up-front payment of fees (due 30 days prior to commencement or prior to issue of eCoE).*
2. *Payment of fees by trimester instalments (where the first instalment falls due 30 days prior to commencement or prior to issue of eCoE, and subsequent payments must be made prior to commencement of the trimester).*

5.0 Commonwealth Assistance Notice

Qantm will issue a Commonwealth Assistance Notice (CAN) to each student that requested FEE-HELP or VET FEE-HELP assistance after each census date in accordance with the Higher Education Support Act 2003.

6.0 Fee refunds with regards to withdrawal from a course or unit of study.

For the purposes of this policy withdrawal includes cancellation or deferment of studies.

All requests for a refund must be made in writing unless a refund becomes payable because Qantm does not commence a course on the scheduled date or does not provide a course in full. Written requests for refunds should be forwarded to the Campus Administration.

In all circumstances where refunds are granted, students will be provided with a statement showing how the refund amount was calculated. In the case of student withdrawal, all refunds are normally paid to the student within 4 weeks of receipt of the written request.

6.1 All students, other than international students, studying a higher education course or a VET FEE-HELP enabled course

In the event of a student withdrawing from a unit of study prior to the census date for that unit of study:

- 100% of tuition fees paid for that unit will be refunded to the student; or
- the student will not incur a FEE-HELP debt.

In the event of a student withdrawing from a unit of study after census date for that unit of study:

- no refund is applicable; or
- the student will incur a FEE-HELP debt.

A student may apply for special consideration in line with the *FEE-HELP Review Procedures*.

6.2 All students, other than international students, studying a vocational course which is not VET FEE-HELP enabled

Students are entitled to a refund of tuition fees if they withdraw from a unit of study before it commences, less an administration fee of 10%.

If a student withdraws from a unit of study after commencement, Qantm College will not refund any of the fees paid for that unit of study unless compassionate grounds apply. Any fees paid in advance for subsequent units of study will be refunded, less an administration fee of 10%.

Where a student withdraws after the unit of study has commenced, refund of fees on a pro rata basis may apply in the following circumstances:

- where a medical condition prohibits the student from continuing or
- unforeseen family difficulties or circumstances; or
- where a change in employment status or residence forces the student to discontinue study.

These reasons may be accepted as grounds for a partial refund of fees with the provision of adequate documentary evidence to support the application.

6.3 International Students

In the event of the Australian Federal Government Department of Immigration and Citizenship (DIAC) refusing a student visa all fees paid in advance are refundable in full.

If an international student cancels a course for any other reason less than 30 days prior to commencement, 1 trimester tuition fees and total annual health cover fee will not be refunded.

In the event that an international student withdraws from a course prior to the 30th day before commencement, a cancellation fee of AUD\$1,000.00 will be levied.

In the event that the student remains in credit following the payment of the cancellation fee, a refund, to the value of the credit, will be given.

In the event that a student defers a course prior to the 30th day before commencement, the full amount paid will be held for a maximum period of one year, and credited towards the student's future re-enrolment within that period.

This refund policy, and the availability of complaints and appeals processes, does not remove the right of a student to take action under Australia's consumer protection laws. Furthermore, Qantm's dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.

In the event that Qantm withdraws an international student from a course

If Qantm withdraws a student from a course because the student has seriously breached international student visa conditions or Qantm's rules, no refund of the

current trimester's fees will be made. If fees have been paid for any subsequent trimesters these fees will be refunded within 4 weeks of the student being withdrawn.

In the event that Qantm does not provide an international student's course in full

In the unlikely event that Qantm does not start a student's course on the scheduled date or is unable to deliver a course in full for any reason, the student will be offered a refund of 100% of tuition fees paid for the course. The refund will be paid within 2 weeks of the day on which the course ceased being provided or did not start.

Qantm may arrange for another course, or part of a course, to be provided to students, at no extra cost to the student, as an alternative to refunding course money. Where the student agrees to this arrangement, Qantm will not be liable to refund the money owed for the original enrolment.

If Qantm is unable to provide a refund, or place the student in an alternative course, the ACPET Tuition Assurance Scheme (ACPET-TAS) will place the student in a suitable alternative course at no extra cost to the student. If the ACPET-TAS cannot place the student in a suitable alternative course, then the ESOS Assurance Fund Manager will attempt to place the student in a suitable alternative course or, if this is not possible, the student will be eligible for a refund as calculated by the ESOS Assurance Fund Manager.

This refund policy, and the availability of complaints and appeals processes, does not remove the right of an international student to take action under Australia's consumer protection laws. Furthermore, Qantm's dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.

7. Outstanding Fees

7.1 Collection of Outstanding Fees Prior to Course Commencement

In the event that a student's fees (or in the case of a student electing to pay their fees by FEE-HELP, a signed FEE-HELP Request form) have not been received by Qantm by the date(s) stipulated on the Offer of Admission, prior to a student commencing a course the following procedures apply:

- One calendar week overdue: student notified, in writing, of outstanding fees.

Academic Honesty

Policy Statement	It is the expectation of Qantm College that students will conduct themselves honestly, ethically and in accordance with accepted standards. When it is identified that a student has cheated or committed an act of plagiarism, this Policy is intended to provide direction.	
Purpose	To provide directions on matters to do with, but not limited to, plagiarism, cheating and collusion.	
Scope	Qantm students and academic staff.	
Definitions	Academic Misconduct	Occurs when students do not maintain the high standards and ethical behaviour expected of them during their enrolment in programs offered by Qantm College. The main forms of such misconduct are: <i>plagiarism</i> , <i>collusion</i> and <i>cheating</i> .
	Plagiarism	Plagiarism refers to using as your own the thoughts, writings or creative works of others without acknowledgment.
	Collusion	Is a specific type of plagiarism that occurs when two or more students present joint work as if it is their own, independent work
	Cheating	Dishonesty of any kind in regard to examinations, course assignments, or alteration of documents.
	Assessor	The person who marks an assessment e.g. lecturer, tutor.
	Portal	Electronic system used by Qantm. Student marks and comments are stored for viewing on the Qantm Portal.
	<p>Plagiarism Qantm College defines plagiarism as a piece of writing or software or other work that has been copied from someone or somewhere else and is presented as being the student's own work. It can range from failure to use proper citations to cheating, and can be committed unintentionally or with planned deliberation. Group work and legitimate co-operation do not <i>per se</i> constitute plagiarism, but students operating as a group must adhere to the instructions provided in their course outlines regarding collaboration in assessment items.</p> <p>In the preparation of work submitted to meet course requirements, students must take great care to distinguish their own ideas and language from information derived from other sources. These include published primary and secondary materials, the Internet and information and opinions gained directly from other people. Whenever ideas or facts are derived from a student's reading and research, that material must be cited properly. In general students should provide references in the following circumstances:</p> <ul style="list-style-type: none"> • Direct quotation: whenever another author is quoted <i>verbatim</i> (i.e. word by word) by a phrase, a sentence or a paragraph, the words should be placed in single quotation marks and their source should be identified. • Paraphrasing: whenever another person's words are summed up in the student's own words, they should be identified through an appropriate reference, e.g. Tony Blair stated • Multiple summation: similar to paraphrasing, it involves the summary of several authors' works into a single paragraph in the 	

student's words, e.g. Tony Blair, George Bush and John Howard jointly declared

- **Statistics:** indicate the sources of any statistics used in an assignment or project, e.g. Bureau of Meteorology (2004)
- **Controversial facts:** acknowledge the source since it is not a commonly accepted historical fact, e.g. there is life on Mars (Cook, 2005).

Qantm College will not accept work that has been plagiarised. It is the student's responsibility to learn the accepted forms of citation. Students who are unsure of the acceptable standards should speak with their trainer before beginning their research on assignments and projects.

Collusion

Collusion is a specific type of plagiarism that occurs when two or more students present joint work as if it is their own, independent work. As mentioned above, group work can be acceptable when it is sanctioned by the Course Co-ordinator. However, it is not acceptable for members of a group to submit identical answers to assignments or projects by simply copying the work done as a group.

With the above exceptions, all assignments and projects must be submitted individually and the examiner is entitled to consider identical layout, identical mistakes, identical argument and identical presentation as evidence of collusion. Students are advised that their assessment items may be vetted for collusion using text comparison software.

Cheating

Students who are found guilty of cheating will be dealt with severely by College authorities.

Collaboration in the completion of written assignments and projects is prohibited unless explicitly permitted in the Course Outline. Students must acknowledge any collaboration and its extent in all submitted assessment.

Students may not copy another student's assignment or project, computer program or parts of a program, or any part of another student's examination paper.

It is expected that all work submitted for a course will have been done solely for that course. A student may not submit the same or similar work to any other course without the prior written permission of the relevant Course Co-ordinator.

Degree of Misconduct

The Board of Studies may conduct a formal hearing into an allegation of misconduct. The student may attend the hearing or, if the student requests, participate in the hearing through telephone conferencing or similar facility (at his or her own cost). If the student declines to attend the hearing (or participate by other means) the hearing shall proceed in the absence of the student.

The student may make a written submission to the hearing and/or be accompanied at the hearing by a companion who is a member of Qantm College's student or staff body. The companion is present as a support to the accused student and is not able to act as an advocate or spokesperson for the student. In exceptional cases, for example a student with a disability that affects his or her communication, the Chair of the Board of Studies may give permission for the companion to speak on behalf of the accused student. Neither the student nor any other person participating in the hearing is entitled to be legally represented.

At least 5 days prior to the hearing, the Board of Studies shall provide the student with a copy of (or access to) all written materials and other evidence that is available to the Board pertaining to this case. The Board may call witnesses to

give evidence at a hearing or may receive written statements of evidence. If the Board deems it appropriate, or if the student requests it, the Board may require persons to attend the hearing and to answer questions. The accused student may ask questions of any witnesses in attendance at the hearing. The student may make submissions to the Board after the evidence of all witnesses has been given. The student's submissions may be oral or written.

As an outcome of the hearing, the Board may take one of the following actions:

- dismiss the complaint of academic misconduct
- provide the student with a warning together with advice about what is acceptable academic conduct
- decide that the student is guilty of academic misconduct and impose one of the listed penalties

The student shall be informed in writing of the decision of the Board of Studies, together with reasons for the decision, within five (5) days of the finalisation of the case.

The penalties for academic misconduct at Qantm College may include one or more of the following:

- For **minor** cases of academic misconduct, the Senior Lecturer, in consultation with the National Academic Coordinator, may decide on one or more of the following:
 - issuing a formal warning
 - a reduction in marks of up to 20% of the marks available for that assessment item
 - the student be required to resubmit the piece of assessment by a specified date (the maximum passing mark will be Pass or 50%)
 - the student be required to undertake additional, equivalent assessment by a specified date (the maximum passing mark will be Pass or 50%)
- For **major** cases of academic misconduct the Board of Studies may impose one or more of the following penalties:
 - the student may be required to undertake additional assessment in the course (the maximum passing mark will be Pass or 50%)
 - the student may be failed in the piece of assessment
 - the student may be awarded a grade of Fail for the course
 - the student may be withdrawn from the course with academic penalty
 - the student be excluded from the course or the program for a specified period of time.

Before imposing a penalty for academic misconduct, the student's file should be checked to determine whether the offence is a first or a subsequent offence. A more severe penalty should be imposed for subsequent offences.

Where a penalty of exclusion is recommended the Chair of the Board of Studies shall advise the Student Administration of the decision so that it can be added to the student's academic record using the following words: "excluded on (date) for disciplinary reasons."

Where a penalty is imposed by the Board of Studies, the student may appeal the decision in writing to the Qantm/SAE Academic Board.

Academic Grievance

Policy Statement	Qantm College is committed to providing a collaborative and collegial teaching and learning environment by undertaking all necessary actions to resolve complaints relating to academic decisions in a fair and expeditious manner.	
Purpose	To demonstrate a clear commitment to the receipt and proper processing of all Academic grievances and subsequent appeals relating to the operations of Qantm College.	
Scope	This policy applies in the context of Qantm College operations in Australia only. Qantm College policies may differ from one country to another.	
Definitions	Academic Grievance	Circumstances may arise from time to time in which a student feels that the published examinations or assessment procedures have not been correctly followed and, thus, that a review of the awarded grade/result may be merited. A request of this nature constitutes an academic grievance. Academic grievances may also relate to decisions regarding student progress, curriculum and awards in a course of study. All other types of grievances are non-academic grievances.

Introduction

These procedures exist only to resolve matters, which can be shown to relate directly to a higher education course of study or a VET FEE-HELP enabled course of study in Australia.

Grounds for Lodging an Academic Grievance

There are only four grounds for lodging an academic grievance:

- Performance in an assessment suffered through illness or other factors which the student was unable or, for valid reasons, unwilling, to disclose before the results were awarded. A grievance under such grounds will normally be dismissed unless an acceptable explanation is given for not presenting the extenuating circumstances in advance of the results having been awarded.
- An assessment was not conducted in accordance with the approved College program regulations.
- There was a material administrative error in the conduct of an assessment or other academic decision.
- Some other material irregularity occurred in making an academic decision.

Students should also note that:

- Academic grievances may only be made against formal published decisions - not against informal marks or grades which have yet to be approved.
- Qantm College will not accept academic grievances based on a claim by the student that they did not know or fully appreciate the assessment regulations and procedures, or that they were unaware of the grievance procedure, or their rights and responsibilities, which includes the process for presenting extenuating circumstances.

General Stipulations

In the event of an academic grievance by a current, prospective or former student:

- The complainant will be given the opportunity to present their case;
- All matters arising shall be accurately documented and recorded. Records shall be maintained for a minimum period of five years and treated as confidential in accordance with the College's policies on Confidentiality, Privacy and Data Protection;
- A written statement of the outcomes will be issued at each stage of the process giving due reasons for decisions reached;
- The complainant will have the right to have a representative present during any negotiations with the College or its appointed representatives;
- The complainant will not be required to meet any costs associated with lodging a grievance, provided the procedures contained herein are adhered to;
- The complainant shall not be subject to discrimination, victimisation or any other form of harassment as a result of actions taken under these guidelines.

This policy is applicable to students enrolled with, or intending to enrol with, Qantm College, as well as former students who no longer maintain current enrolment, irrespective of their place of residence, campus (within Australia) or mode of study. Procedures for Qantm Colleges internationally may vary in compliance with statutory requirements in other countries of operation. Students registered with Qantm who transfer their studies to a Qantm campus outside Australia, will have their registration with Qantm in Australia terminated and are required to adhere to the guidelines, policies and procedures outlined by the legal entity to whom they have transferred their registration, unless their grievance relates specifically to an instance when their registration with Qantm in Australia was current.

Principles that Underpin these Grievance Procedures

The guiding principles of these procedures are that grievances shall be:

- Treated seriously and with fairness;
- Dealt with quickly, simply and at the level of the specific Qantm College campus as far as is possible;
- Treated consistently across the College;
- Subject to the principles of natural justice;
- Progressed through informal and formal stages;
- Dealt with and resolved wherever possible without recourse to the formal stage, and shall be without prejudice to a complainant's right to pursue legal remedies outside the College having exhausted the College's grievance procedure;
- The procedures set out in this document do not replace or modify procedures or any other responsibilities which may arise under other higher education provider policies or under statute or any other law.

Before an Issue Becomes a Formal Grievance

Prior to lodging a formal grievance, students are encouraged to discuss their concerns with the appropriate Course Coordinator. Any formal grievance must be made in writing within fourteen days of results being published. A formal grievance should include a detailed breakdown of the reasons for the grievance. Grievances should be presented, in the first instance, to the appropriate Course Coordinator.

Procedures

Stage 1 - Lodging a Formal Academic Grievance

Upon receipt of a written academic grievance:

- The matter will be considered by the Course Coordinator in liaison with the Campus Manager and, where appropriate, other Qantm College staff.
- If, in the opinion of the Campus Manager, the grievance is not justified, due reason will be communicated to the complainant and the matter considered closed.
- If, in the opinion of the Campus Manager, the grievance is justified, the assignment will be re-assessed by two independent assessors who were not involved in the original awarding of the grade.
- In the event that these assessors find the grade awarded to be unfair, the appropriate adjustments to the results will be made.
- In all cases, the College will provide a written explanation to the complainant of the outcomes of any grievance and the reasons for the decision. This notification must be given in writing within fourteen days of the grievance having been received.

Stage 2 - Appeals

If the complainant is not satisfied with the decision at Stage 1 of these procedures they may appeal to the Academic Advisory Board (through the Chair). The complainant shall submit the appeal in writing within ten working days of receiving the written notification from Stage 1.

The Chair of the Academic Advisory Board having received the appeal shall:

- Acknowledge its receipt within seven working days;
- Inform the National Academic Coordinator that an appeal has been received;
- Decide to enforce the implementation of the recommendations made at the end of Stage 1; or
- Dismiss the case, giving reasons in writing; or
- Seek agreement to an alternative set of recommendations; or
- Determine whether there are sufficient grounds to convene a Grievance Appeal Panel and, if so, shall establish a Grievance Appeal Panel to hear the appeal.

Convening a Grievance Appeal Panel:

- The Grievance Appeal Panel shall involve four persons. These shall be the member of staff who considered the appeal; an academic staff member with no prior involvement in the process, a student representative, and a member of Qantm College senior management (or nominee) who has had no prior involvement in the case.
- A Grievance Appeal Panel shall hear the appeal within ten working days of receipt in accordance with the procedures detailed below.
- The Chair of the Panel shall submit, within ten working days of the Panel meeting, a written report to the National Academic Coordinator. The decision of the Panel shall be final. If necessary the Chair shall have a casting vote.
- The Chair of the Panel shall seek to ensure that any actions arising from the decision of the Panel are taken within the timescale identified in the report and shall report any failure to complete actions to the National Academic Coordinator.

Procedural Rules for the Conduct of Grievance Appeal Panel Hearings:

- Hearings shall take place in the College at dates and times notified in writing to the student, members of staff and other students concerned at least five working days before the hearing.
- The Chair of the hearing shall, at the same time as they notify the date of the meeting, indicate the names of any persons that the Panel intends to call to give evidence together with a copy of any statement obtained from those persons which are to be referred to at the hearing.
- A person of their choosing may accompany the complainant or any respondents directly involved in the grievance. If the complainant or any respondent intends to be accompanied, the name and address of the accompanying person shall be notified to the Chair not less than twenty-four hours prior to the meeting of the Panel. Legal representation is not allowed at a hearing other than in exceptional circumstances with the discretion of the Chair of the Panel.

- The complainant and respondents directly involved in the grievance and persons accompanying them shall be permitted to question any persons giving evidence to the meeting and to directly address the Grievance Appeal Panel.
- If the complainant or any respondent wishes to introduce documents to the Panel they shall supply copies of all such documents to the Chair at least ten working days before the date of the hearing. The Chair shall ensure these papers are circulated as soon as possible to the other party and to all members of the Panel. The Chair may decide to give time to examine the documents by adjourning or delaying the meeting of the Panel for a period of up to five working days.
- The Panel shall meet in private.
- The Panel shall initially decide and then inform all parties concerned how it will conduct the hearing subject to the procedures being consistent with the principles of these grievance procedures and of these procedural rules.
- The Panel shall establish the exact nature of the grievance, establish the facts as far as it is possible to do so, consider the facts, determine its decision and report its decision in writing within five working days to the National Academic Coordinator, copied to all parties involved in hearing the appeal.

Stage 3 - External Mediation

If the complainant is dissatisfied with the outcome of their appeal, they may make a written request to the National Academic Coordinator that they wish the matter be dealt with through an external dispute resolution process facilitated by the Australian Council for Private Education and Training (ACPET).

The National Academic Coordinator will then advise ACPET in writing of the request within five working days. ACPET will arrange for a Round Table Discussion (RTD) to be held between the College and the complainant within ten working days of the written notification from the College. ACPET do not charge a fee for this service.

Contact Details for ACPET:

Australian Council for Private Education and Training (ACPET)
PO Box Q1076, QVB Post Office, Sydney NSW 1230
Ph: 1800 657 644 Fax: 02 9264 4550
Email: acpet@acpet.edu.au

If the matter remains unresolved after the RTD then ACPET will appoint an independent mediator within fourteen working days of the RTD. ACPET plays no role in the actual mediation. It is then up to the mediator, the complainant and the College to resolve the grievance. The College will bear any costs associated with the mediation.

The complainant or any respondent to the grievance may ask another person to accompany them to meetings with ACPET or the mediator.

The mediator will report to the National Academic Coordinator the outcome of the mediation, including any recommendations arising, within fourteen days of the completion of the review. Once the National Academic Coordinator receives the report of the outcomes from the RTD or independent mediation, they will provide a written report to the complainant within ten working days on the recommended actions to resolve the grievance.

The College agrees to be bound by the independent mediator's recommendations and the National Academic Coordinator will ensure that any recommendations made are implemented within thirty days of receipt of the mediator's report.

If a grievance still remains unresolved after the external dispute resolution process, the complainant may decide to refer the matter to an external agency, such as the Anti-Discrimination Board, the Office of Fair Trading or the Queensland Ombudsman. Students enrolled in a higher education course of study may decide to refer the matter to the Queensland Office of Higher Education. Students enrolled in a VET course of study may decide to refer the matter to the Queensland Training And Employment Recognition Council or the National Training Complaints Hotline on 1800 000 674.

Notes

In these procedures:

- Reference to a complainant is taken to include students, members of staff registered on College programs in their capacity as students and prospective students.
- In the absence (eg vacation or illness) of the person holding a named post in the procedures the person deputising for them during the time of their absence shall substitute. In cases when the grievance involves the nominated deputy, a member of Executive Management shall be consulted and shall determine who shall be responsible for handling the grievance.

Approval and Publication

This Policy and Procedure was agreed on and ratified by the Academic Advisory Board, which is responsible for the overall academic governance of the College, on Friday 13th July 2007.

All policies applicable to students are available to prospective students, enrolled students and staff in the public domain on our web site: www.qantmcollege.edu.au

Non Academic Grievance

Policy Statement	Qantm College is committed to providing a collaborative and collegial teaching and learning environment by undertaking all necessary actions to resolve complaints relating to any operations of the College, in a fair and expeditious manner.	
Purpose	This policy and procedure seeks to ensure that grievances against the College made by current, prospective and former students previously enrolled, are treated seriously and, if found to be valid, are acted upon to ensure that students' interests are protected as far as it is possible for the College to do so.	
Scope	This policy applies in the context of Qantm College operations in Australia only. Qantm College policies may differ from one country to another in accordance with local regulations.	
Definitions	Non Academic Grievance	All types of grievances other than academic grievances, in that the issue or event from which the grievance has arisen is something other than an academic decision.

Introduction

These procedures exist only to resolve matters, which can be shown to relate directly to a higher education course of study or a VET FEE-HELP enabled course of study in Australia.

These grievance procedures are not designed to deal with problems such as: missing course work; unexplained absence of a lecturer; late return of work; accommodation deficiencies etc, except in so far that such concerns are not resolved through simpler procedures or are persistent. Academic Grievance Procedures are documented separately.

These grievance procedures and any decisions made under them are not intended to give rise to legal rights, or obligations on the College to pay compensation either in respect of a decision made pursuant to the procedures or for a breach of these procedures. These procedures are intended to facilitate the resolution of formal grievances brought to the attention of the College. Anonymous grievances will not normally be considered.

General Stipulations

In the event of a grievance by a current, prospective or former student:

- The complainant will be given the opportunity to present their case;
- All matters arising shall be accurately documented and recorded. Records shall be maintained for a minimum period of five years and treated as confidential in accordance with the College's policies on Confidentiality, Privacy and Data Protection;
- A written statement of the outcomes will be issued at each stage of the process giving due reasons for decisions reached;
- The complainant will have the right to have a representative present during any negotiations with the College or its appointed representatives;
- The complainant will not be required to meet any costs associated with lodging a grievance, provided the procedures contained herein are adhered to;
- The complainant shall not be subject to discrimination, victimisation or any other form of harassment as a result of actions taken under these guidelines.

This policy is applicable to students enrolled with, or intending to enrol with, Qantm College, as well as former students who no longer maintain current enrolment, irrespective of their place of residence, campus (within Australia) or mode of study. Procedures for Qantm Colleges

internationally may vary in compliance with statutory requirements in other countries of operation. Students registered with Qantm who transfer their studies to a Qantm campus outside Australia, will have their registration with Qantm in Australia terminated and are required to adhere to the guidelines, policies and procedures outlined by the legal entity to whom they have transferred their registration, unless their grievance relates specifically to an instance when their registration with Qantm in Australia was current.

Principles that Underpin these Grievance Procedures

The guiding principles of these procedures are that grievances shall be:

- Treated seriously and with fairness;
- Dealt with quickly, simply and at the level of the specific Qantm Campus as far as is possible;
- Treated consistently across the College;
- Subject to the principles of natural justice;
- Progressed through informal and formal stages;
- Dealt with and resolved wherever possible without recourse to the formal stage, and shall be without prejudice to a complainant's right to pursue legal remedies outside the College having exhausted the College's grievance procedures;
- The procedures set out in this document do not replace or modify procedures or any other responsibilities which may arise under other higher education provider policies or under statute or any other law.

Staff Responsibility

Improving the quality of customer service and reducing dissatisfaction or grievances is the responsibility of all. All staff are encouraged to informally and formally identify, report and where possible prevent or remedy problems and concerns related to the fair treatment of students or potential students. This may occur during general communication in the performance of their role, by discussion, participation in meetings and formally by submitting a report to the Campus Manager suggesting process improvement.

The Campus Manager is responsible for reviewing and approving process improvement reports, for investigating the cause(s) of potential problems identified, for initiating preventative action to eliminate the problem or potential problem and verifying that approved process improvements have been implemented and preventative action has taken place to prevent or reduce future grievances or appeals and that this action complies with relevant Commonwealth and State law / legislation.

Before an Issue Becomes a Formal Grievance

Students/potential students are encouraged, wherever possible, to discuss and resolve concerns or difficulties directly with the person(s) concerned. There are Administrators, Supervisors, IT and Accommodation Coordinators and a Student Liaison Officer available to assist students to resolve their issues at this informal level.

Procedures

Informal Stage 1:

In the first instance those who wish to lodge a grievance should discuss the issue with the Course Coordinator, who will advise whether or not the grievance is best progressed through:

- A Board of Studies;
- Reference to specific persons who can resolve the problem;

- These grievance procedures.

Assuming it is agreed that the grievance shall be progressed through these grievance procedures, the member of staff consulted shall discuss the grievance fully with the complainant and - with the complainant's consent - anyone else involved, to see if it can be resolved informally. This may involve referral of the grievance to a third party. The outcome of grievances dealt with informally should be briefly documented. Normally, grievances handled through Informal Stage 1 shall be dealt with within, at most, ten working days, briefly documented, and a copy of the decision sent to the complainant in writing.

Informal Stage 2:

If the complainant is dissatisfied with the outcome of Informal Stage 1, the grievance shall be referred to the Manager of the Qantm Campus involved within ten working days of the completion of Informal Stage 1. If the grievance directly involves a Qantm Campus Manager or Course Coordinator it shall proceed directly to the Formal Stage. The Campus Manager shall investigate the grievance fully and shall seek to achieve an informal resolution of the problem(s), either by correspondence or through discussion with the complainant as soon as possible. The Campus Manager will provide a written report to the complainant on the steps taken to address the grievance within ten working days.

Formal Grievance:

If a complainant is dissatisfied with the result of the two Informal Stages of this grievance procedure, they may proceed to the Formal Stage. They shall put the grievance, and the reason why they are dissatisfied with the outcome of the two Informal Stages, in writing to the College's National Academic Coordinator within ten working days of the completion of Informal Stage 2.

The National Academic Coordinator shall:

- Acknowledge receipt of the written grievance within five working days;
- Advise, in writing and within five working days, any respondents to the grievance that a formal grievance has been received;
- Consider the evidence, written or otherwise, and, if necessary, hold such discussions with the complainant and any other persons deemed appropriate in order to fully investigate the grievance.

The National Academic Coordinator having fully investigated the grievance over a period not normally exceeding ten working days from its receipt, shall decide whether:

- The grievance should be progressed through other procedures (eg disciplinary procedures), in which case the grievance shall be terminated at this stage; or whether
- There is reasonable justification for the grievance; or whether
- There is no reasonable justification for the grievance.

The National Academic Coordinator shall:

- Make their decision known in writing to the complainant and to any respondents to the grievance;
- Seek to resolve any justifiable grievance through recommendations which all parties involved in the grievance shall be invited to accept; and shall,
- If the recommendations are agreed, take steps to ensure that they are implemented in full within the agreed time period.

Appeal:

If the complainant is not satisfied with the decision at the conclusion of the Formal Stage they may appeal to the Academic Advisory Board (through the Chair). The complainant shall submit the appeal in writing within ten working days of receiving the outcome of the Formal Stage.

The Chair of the Academic Advisory Board having received the appeal shall:

- Acknowledge its receipt within seven working days;
- Inform the National Academic Coordinator that an appeal has been received;
- Decide to enforce the implementation of the recommendations made at the end of the Formal Stage; or
- Dismiss the case, giving reasons in writing; or

- Seek agreement to an alternative set of recommendations; or
- Determine whether there are sufficient grounds to convene a Grievance Appeal Panel and, if so, shall establish a Grievance Appeal Panel to hear the appeal.

Convening a Grievance Appeal Panel:

- The Grievance Appeal Panel shall involve four persons. These shall be the member of staff who considered the appeal; the Campus Manager, a student representative, and a member of Qantm senior management who has had no prior involvement in the case.
- A Grievance Appeal Panel shall hear the grievance within ten working days of receipt in accordance with the procedures detailed below.
- The Chair of the Panel shall submit, within ten working days of the Panel meeting, a written report to the National Academic Coordinator. The decision of the Panel shall be final. If necessary the Chair shall have a casting vote.
- The Chair of the Panel shall seek to ensure that any actions arising from the decision of the Panel are taken within the timescale identified in the report and shall report any failure to complete actions to the National Academic Coordinator.

Procedural Rules for the Conduct of Grievance Appeal Panel Hearings:

- Hearings shall take place in the College at dates and times notified in writing to the student, members of staff and other students concerned at least five working days before the hearing.
- The Chair of the hearing shall, at the same time as they notify the date of the meeting, indicate the names of any persons that the Panel intends to call to give evidence together with a copy of any statement obtained from those persons which are to be referred to at the hearing.
- A person of their choosing may accompany the complainant or any respondents directly involved in the grievance. If the complainant or any respondent intends to be accompanied, the name and address of the accompanying person shall be notified to the Chair not less than twenty-four hours prior to the meeting of the Panel. Legal representation is not allowed at a hearing other than in exceptional circumstances with the discretion of the Chair of the Panel.
- The complainant and respondents directly involved in the grievance and persons accompanying them shall be permitted to question any persons giving evidence to the meeting and to directly address the Grievance Appeal Panel.
- If the complainant or any respondent wishes to introduce documents to the Panel they shall supply copies of all such documents to the Chair at least ten working days before the date of the hearing. The Chair shall ensure these papers are circulated as soon as possible to the other party and to all members of the Panel. The Chair may decide to give time to examine the documents by adjourning or delaying the meeting of the Panel for a period of up to five working days.
- The Panel shall meet in private.
- The Panel shall initially decide and then inform all parties concerned how it will conduct the hearing subject to the procedures being consistent with the principles of these grievance procedures and of these procedural rules.
- The Panel shall establish the exact nature of the grievance, establish the facts as far as it is possible to do so, consider the facts, determine its decision and report its decision in writing within five working days to the National Academic Coordinator, copied to all parties involved in hearing the grievance.

External Mediation:

If the complainant is dissatisfied with the outcome of their appeal, they may make a written request to the National Academic Coordinator that they wish the matter be dealt with through an external dispute resolution process facilitated by the Australian Council for Private Education and Training (ACPET).

The National Academic Coordinator will then advise ACPET in writing of the request within five working days. ACPET will arrange for a Round Table Discussion (RTD) to be held between the

College and the complainant within ten working days of the written notification from the College. ACPET do not charge a fee for this service.

Contact Details for ACPET:

If the matter remains unresolved after the RTD then ACPET will appoint an independent mediator within fourteen working days of the RTD. ACPET plays no role in the actual mediation. It is then up to the mediator, the complainant and the College to resolve the grievance. The College will bear any costs associated with the mediation.

The complainant or any respondent to the grievance may ask another person to accompany them to meetings with ACPET or the mediator.

The mediator will report to the National Academic Coordinator the outcome of the mediation, including any recommendations arising, within fourteen days of the completion of the review. Once the National Academic Coordinator receives the report of the outcomes from the RTD or independent mediation, they will provide a written report to the complainant within ten working days on the recommended actions to resolve the grievance.

The College agrees to be bound by the independent mediator's recommendations and the National Academic Coordinator will ensure that any recommendations made are implemented within thirty days of receipt of the mediator's report.

If a grievance still remains unresolved after the external dispute resolution process, the complainant may decide to refer the matter to an external agency such as The Anti-Discrimination Board, the Office of Fair Trading or the Queensland Ombudsman. Students enrolled in a higher education course of study may decide to refer the matter to the Queensland Office of Higher Education. Students enrolled in a VET course of study may decide to refer the matter to the Queensland Training And Employment Recognition Council or the National Training Complaints Hotline on 1800 000 674.

Notes

In these procedures:

- Reference to a complainant is taken to mean an individual complainant or a number of complainants; it includes students, members of staff registered on College programs in their capacity as students and prospective students.
- In the absence (eg vacation or illness) of the person holding a named post in the procedures the person deputising for them during the time of their absence shall substitute. In cases when the grievance involves the nominated deputy, a member of Executive Management shall be consulted and shall determine who shall be responsible for handling the grievance.

Standard identification documents include Birth Certificate, Extract of Birth Certificate, Certificate of Marriage, current Passport.

Surrender of Original Parchments

The Statutory Declaration should outline all relevant circumstances and dates leading to the loss, and be accompanied by all supporting documentation feasibly available under those circumstances, such as police, insurance and / or investigative reports, newspaper reports, witness statements, letters of support or certificates of authentication.

Replacement Reviews and Appeals

Graduates whose application for the replacement of their award parchment is refused because of insufficient or inadequate documentation can make a written request to the Qantm College Board of Studies for the decision to be reviewed on the grounds of special consideration. All such requests must be accompanied by independent supporting documentation or testimony relating to the special circumstances claimed. The Board of Studies will then make a determination, or act on the nominee's recommendation to uphold, reverse or modify the original decision. The Board of Studies decision is final.

	<p>FEE-HELP REVIEW PROCEDURES</p>	<p>11 July 2008</p>
---	--	---------------------

Coverage

For the purposes of this procedure a student is a domestic student enrolled in a Qantm College higher education course, or an Australian citizen or an Australian resident permanent humanitarian visa holder enrolled in a Qantm College VET FEE-HELP enabled course.

Introduction

A student may apply after the census date to have their FEE-HELP balance re-credited if the student has withdrawn from, or has been unable to successfully complete a unit of study and the student believes that this was due to special circumstances.

Qantm College will re-credit a student's FEE-HELP balance if it is satisfied that special circumstances apply that:

- are beyond the student's control; and
- did not make their full impact on the student until on or after the census date for the term of study in question; and
- make it impractical for the student to complete the requirements for that term of study.

Qantm College will be satisfied that a student's circumstances are beyond the student's control if a situation occurs that a reasonable person would consider is not due to the person's action or inaction, either direct or indirect, and for which the student is not responsible. The situation must be unusual, uncommon or abnormal.

Each application will be examined and determined on its merits by considering a student's claim together with independent supporting documentation substantiating the claim.

Initial applications for the re-crediting of a student's FEE-HELP balance are to be made, in writing, to the Academic Coordinator of the campus at which the student is enrolled.

The procedure for the re-crediting of a FEE-HELP balance is as follows:

- (a) when a student withdraws from a unit, or units, of study, Qantm College shall confirm the withdrawal by giving notice to the student in writing stating the date at which the withdrawal has taken effect;
- (b) when a student fails to meet the requirements of a unit of study, Qantm College shall confirm the failure by giving notice to the student in writing of the final result for that unit at the end of the term of study;
- (c) the student must apply in writing to the Academic Coordinator within 12 months from the day specified in the notice as the day of withdrawal or the date of receiving their final results for the unit. The College may exercise its discretion to waive this requirement if in its opinion it was not possible for the application to be made before the end of the 12 month period;
- (d) The Academic Coordinator shall advise the student of the outcome of the application within 28 days stating the reasons for the decision;
- (e) The Academic Coordinator shall also advise the student of their rights for a review of the decision if they are not satisfied with its outcome.

The Academic Coordinator will consider the application and will agree to such requests if they are satisfied that there were special circumstances in the student's case. If the student's request is successful, Qantm College will refund to the Commonwealth the amount of FEE-HELP paid to Qantm College on behalf of the student and the student's FEE-HELP debt for those units of study will be removed.

If a student is dissatisfied with the outcome of their application to have their FEE-HELP balance re-credited, they may apply for a review of the decision in accordance with the procedures outlined below.

Procedures for Review

Where a student is not satisfied with the decision taken by the Academic Coordinator, they may apply for a review of that decision.

Review requests must be submitted, in writing, to the National Academic Coordinator, no more than twenty-eight (28) days following receipt of the original decision or such longer period as the reviewer may allow. The application for review of a decision not to re-credit a FEE-HELP balance must state clearly the grounds upon which the application has been submitted.

The National Academic Coordinator shall acknowledge receipt of this application, in writing within five (5) working days informing the applicant that if they are not advised of a decision within 45 days of receipt of the application for review, then the National Academic Coordinator is taken to have confirmed the original decision. This written confirmation shall also inform the applicant of their right to appeal against any future decisions to the Administrative Appeals Tribunal (AAT) and the contact details for the nearest AAT Registry and the approximate costs associated with such an appeal.

Once the matter has been further considered, the National Academic Coordinator will notify the applicant of the review decision and the reasons for making the decision. The review will either:

- a) confirm the decision;
- b) vary the decision; or
- c) set the decision aside and substitute a new one.

Additionally, the written advice of outcome will remind the student of their right to appeal to the AAT while providing details of the closest AAT Registry and an indication of the costs of such proceedings.

Where a student is unsatisfied with the reviewed decision they may apply to the Administrative Appeals Tribunal for consideration of Qantm College's decision to refuse to re-credit a FEE-HELP balance. The student may supply additional information to the AAT which they did not previously supply to Qantm College either in the original application or the request for review.

Publication Notice

These *FEE-HELP Review Procedures* will be published in the Student Handbook and on the Qantm College web site (www.qantmcollege.edu.au).

	STATEMENT OF VET TUITION ASSURANCE	15 July 2008
---	---	--------------

Under the provisions of the *Higher Education Support Act 2003* (HESA) and its associated Guidelines Qantm College (“the VET Provider”) is required to provide a tuition assurance arrangement for Australian citizens or Australian resident permanent humanitarian visa holders who are enrolled in a VET FEE-HELP enabled course offered by the VET Provider. This requirement is to protect students in the event that the VET Provider ceases to provide a course of study in which a student is enrolled.

A course of study is taken to have ceased if:

- the course does not commence on the agreed starting date (or a later date that has been agreed between the VET Provider and the enrolled students) and an arrangement has not previously been made between the VET Provider and the enrolled students to undertake a suitable alternative course; or
- the course ceases to be provided after it has started (for any reason); or
- the full course has not being delivered because:
 - the approval of Qantm College as a VET Provider has been suspended or revoked;
 - notice is served on the VET Provider to cancel its incorporation or to dissolve the VET Provider as a legal entity;
 - the VET Provider has come under external administration;
 - the VET Provider ceases to be a Registered Training Organisation;
 - the secretary of DEEWR makes a declaration that the VET Provider has ceased to provide a course.

In the event that the VET Provider ceases to provide a course of study in which a student is enrolled, the student is entitled to a choice of:

- a) an offer of a place in a similar course of study with another VET Provider without any requirement to pay the other provider any student contribution or tuition fee for any replacement units. This is known as the “**Course Assurance Option**”;

or

- b) a refund of payments for any unit of study that the student has not commenced or the student has not completed because the VET Provider has ceased to provide the course of study of which the unit forms part (this is known as the “**Student Contribution/Tuition Fee Repayment Option**”)

The VET Provider has met the tuition assurance requirements of the HESA through its current membership of the Australian Council for Private Education and Training (ACPET) Australian Student Tuition Assurance Scheme (ASTAS).

Contact Details for ACPET-ASTAS

Ph: (02) 9264 4490 Fax: (02) 9264 4550
Email: acpet@acpet.edu.au

The courses of study for which the VET Provider has ACPET-ASTAS membership are:

- Diploma of Screen and Media
- Diploma of Interactive Digital Media

Activation of Tuition Assurance Arrangements

If the VET Provider ceases to provide a course of study, ACPET will send each eligible student enrolled in the course of study a Written Tuition Assurance Offer ("the Offer") advising the student of the options available under the tuition assurance requirements. The Offer will include directions that the student must follow in order to notify ACPET of the choice they have made for each affected unit. ACPET will provide this Offer within twenty business days after it knows, or should know by reasonable enquiries that the VET Provider has ceased to provide the course of study.

A student may choose either:

The Course Assurance Option

If a student accepts a place in an alternate course offered by ACPET, ACPET will offer the student the option of ACPET making all necessary arrangements to ensure a student is able to enrol in a similar course of study with another VET Provider. This offered course will lead to the same or a comparable qualification without any requirement on the part of the student to pay the other provider any student contribution or tuition fee for any replacement units. A student will receive full credit from the provider of the alternate course for any units of study successfully completed at Qantm College.

The other provider nominated by ACPET may have different contribution amounts or tuition fees to the amounts or fees the student would have paid for units of study which were part of the course of study that Qantm College ceased to provide.

A student is not obliged to enrol in a course of study with another provider offered by ACPET under the Course Assurance Option. However, if they enrol with any other provider there is no obligation on that provider to offer full credit transfer for the units of study completed with Qantm College or to offer any replacement units free of charge.

OR

The Student Contribution/Tuition Fee Repayment Option

If a student chooses the *Student Contribution/Tuition Fee Repayment Option* ACPET undertakes to pay the student the balance of any up-front payments already paid by the student for any units of study that the student has not completed because Qantm College has ceased to provide the course of study.

Students selecting this option who have applied for FEE-HELP assistance will get their FEE-HELP balance re-credited for any affected units.

Publication

This *Statement of VET Tuition Assurance* will be made available to students and prospective students by publication on the Qantm College website (www.qantmcollege.edu.au). The Qantm College *Registration Agreement* will also contain information about where the *Statement of VET Tuition Assurance* may be obtained.
