RECOGNITION OF PRIOR LEARNING (RPL) Students enrolling in our programs may request credit for previous relevant training and substantial, demonstrable industry experience. If credit is given, program length may be shortened (applicable to local students only) and the tuition fees may also be reduced accordingly. Applicants will need to provide suitable evidence in order to qualify of recognition of prior learning and/or experience and credit is awarded at the discretion of the relevant Head of Department. For international students, the subsequent study undertaken with SAE Institute in Singapore must be on a full-time basis. More details regarding RPL procedures and associated costs can be obtained from your local SAE Institute.

MUTUAL RECOGNITION SAE recognises the qualifications and statements of attainment issued by other Private Education Organisations and Government Educational Facilities.

TEACHING METHODS Courses at SAE Institute are taught through a combination of formal lectures, seminars and tutorials. In addition, students are required to undertake a significant amount of supervised laboratory work utilising Institute practical facilities including computer workstations, audio, multimedia, animation, games and film studios.

ASSESSMENT METHODS Assessment methods adopted will be dependent upon the program for which a student is enrolled but will generally include written and oral examination, practical demonstration and assignments, and written submissions. Grading incorporates standard marking and competency-based criteria.

TEACHING HOURS One clock hour is equivalent to 50 minutes of teaching with a 10 minute break.

BREAKS Courses are scheduled continuously throughout the year except for Public Holidays and a two week break around July and December.

CLASS SIZES Most classes are limited to approximately 20 students. Studio time is usually allocated on an individual basis. Some special practical lectures are conducted in small groups.

PRACTICAL BOOKINGS Practical time is allocated on an individual or group basis and fully supervised by our qualified staff. Practical sessions can be booked by students on a weekly basis during

the operating hours of the Institute. Practical assignments must be completed within the specified deadlines and attendance at supervised sessions is mandatory.

STUDENT SUPPORT Students may seek the advice from their Head Lecturer (HOD) or Academic Co-ordinator for any matters regarding attendance, tuition fees, vocational advice and academic progress. Management and other support staff are available by appointment.

LEARNING SUPPORT Students experiencing learning difficulties may request additional learning support. Appropriate support will be recommended on an individual basis after discussion with the Head of Department (HOD).

RETAKES If a student fails a program, he or she may repeat the required units of the program. For international students this is subject to Singapore's Immigration Authority's student visa approval. The retaken portion need not be undertaken on a full-time basis but international students may only retake a program (or components thereof) once and in accordance to ICA's regulations. Repeated sections will be billed at the program fee current at the time of retake.

PERSONAL DETAILS SAE Institute treats all student data as private and confidential and will, generally, only divulge such information to third parties when required to do so by law or for operational purposes. Parents and sponsors will only be provided with information if expressed, written permission has been granted by the student and students are required to advise such interested parties to this effect. In keeping with Singapore immigration law, certain student data may be communicated to Government authorities. Students are required to immediately inform the Institute of any changes to Singapore contact details. For International Students, failure to do so is considered a breach of visa conditions and will result in cancellation of the visa.

Taking into account additional self-directed study time, students may be required to commit to as many as 36 hours per week in total.

SAE Institute operates a minimum attendance requirement of 90% at all formal classes and practical sessions. Failure to meet this requirement, may result in a student not being allowed to continue with a course. Non-attendance of classes or practical sessions does not release a student from their obligation to pay fees and does not constitute a course cancellation or deferment.

PROBATION A student who fails to achieve an adequate academic record will be placed on probation for a period up to 8 weeks. If the student's academic performance does not improve in that period, he/she may be dismissed.

A student who loses practical time due to equipment breakdown, which has not resulted through any fault of their own, will have their practical time re-scheduled.
