JOIN US IN MILAN

Take part into **SAE Institute's International Week in Milan!** From September 7th to 13th, a selected group of international students will have the opportunity to dive into **Italy's rich cultural and musical heritage**, connect with fellow local students in a **buddy experience**, and gain hands-on experience through exclusive workshops and meetings with the local industry.

With a packed program that includes masterclasses from top professionals, visits to iconic institutions like **Fondazione Stauffer, RAI Studio di Fonologia, Teatro alla Scala, and Blue Note**, plus networking events, guided tours, and social gatherings — this is your chance to expand your skills, your network, and your perspective.

WHAT YOU'LL EXPERIENCE

- Welcome presentation, Music Business student networking and talk event **"The Home of the Future"** Welcome&Greet party
- Two-days workshops for a proper preparation, recording, and mixing of strings live at **Fondazione Stauffer in Cremona**
- Exclusive industry meetings: Interaction with renowned Italian professionals of international stature, who will lead masterclasses and in-depth workshops.
- Exploring the roots of Italian electronic music: guided tour of the **RAI Studio di Fonologia Museum**, the birthplace of Italian experimental and electronic music, where pioneers like Berio and Maderna redefined the sonic landscape
- Exclusive visit to **Teatro alla Scala** with a guided tour
- Exclusive visit to **Blue Note**, one of the world's most renowned jazz clubs
- **Free time** with recommendations for events, exhibitions, and must-visit locations in Milan
- **Wrap Up Party** to celebrate the experience together
